# HERMON LIFE

Welcome to February 2026!

It is the month of multiplication. God is blessing and multiplying us in new and greater dimensions in Jesus' name!

God designed for us to multiply. He told Abraham in Genesis 17:6, "I will make you exceedingly fruitful..." The first words Adam heard from God were, "Be fruitful; multiply..." (Genesis 1:28).

The Holy Spirit is the agent of divine multiplication. 'Until the Spirit is poured upon us from on high, and the wilderness becomes a fruitful field, and the fruitful field is counted as a forest.' (Isaiah 32:15).

The more you yield to the Holy Spirit, the more you will become fruitful and be multiplied. He will escalate things in your life that shall make you to be multiplied.

This month, more than ever, yield to the Holy Spirit's leading and instructions. He will lead you aright and into the glorious things God has prepared for you.

# ANATHOTH CONFERENCE

DAY 1:

## THE POWER OF PERSISTENT PRAYER

**Core Message:** Prayer is a learned discipline that requires persistence until breakthrough comes.

### Key Teachings:

- Prayer must reach certain levels before God answers—this is why we're called to pray without ceasing.
- We must "pray through" situations until we hit the note of victory, not just pray once and stop.
- Prayer has three directions: to God, against the devil (binding in Jesus' name), and speaking to circumstances/mountains.
- Our prayers fill spiritual "clouds" until they're full enough to pour out answers on earth—stopping too soon aborts the answer.

### Practical Application:

- Develop a daily prayer routine and protect it from distractions.
- Pray in tongues for one hour daily.
- Focus on your most burning desire and pray it through using Scripture.
- Don't wait for problems to arrive—pray preventatively.
- Base your desires on God's Word and align them with what God desires for you.

**Warning:** If you're doing God's will, expect opposition. No opposition may mean God isn't in it.

DAY 2:

## THE HOLY SPIRIT'S HELP IN PRAYER

**Core Message:** Men ought always to pray and not faint—the Holy Spirit helps us pray effectively.

### Key Teachings:

- When we're not praying, we're fainting spiritually.
- The Holy Spirit functions as our Helper in four critical ways:
  - a. Spirit of Truth - Shows us God's perspective (truth) versus present circumstances (facts).
  - b. Witness Bearer - Gives inner peace and assurance about God's will.
  - c. Prayer Helper - Helps us pray what should be prayed, even when we don't know.
  - d. Present Companion - Can be grieved and leave if we offend Him.

### Practical Application:

- Actively invite the Holy Spirit's help when praying.
- Follow the inner witness (peace or unease) as primary guidance.
- When you have witness about something, take action—don't just pray without moving.
- Learn to distinguish between facts (present reality) and truth (God's declared reality).

**Warning:** The Holy Spirit can withdraw His presence if offended. The first sign is spiritual blindness.

DAY 3:

## HEALING THROUGH COMMUNION AND DEALING WITH FEAR

**Core Message:** God heals incurable wounds and breaks negative patterns through the Blood of Jesus.

### Key Teachings:

- Wounds of spirit, soul, and body attract demonic oppression like flies to open wounds.
- Fear is False Evidence Appearing Real—a demonic spirit that brings other spirits with it.
- Fear must be confronted with God's Word, not allowed to linger in imagination.
- Negative patterns in life often trace to spiritual roots (curses, dedications, evil covenants).
- New wine (blessings) requires new wineskins (renewed mindset aligned with God's Word).

**Communion Declaration:** The communion service specifically addressed:

- Purification of "corrupt waters", making life unproductive.
- Breaking Jezebel's power and the spirit of fear.
- Nullifying evil dedications and covenants.
- Speaking the Blood of Jesus over pending accusations.

### Practical Application:

- Answer fear immediately with Scripture—don't let imaginations linger.
- Enquire of parents about family patterns when persistent issues arise.
- Change your mindset to align with God's Word before expecting new blessings.
- Use the Blood of Jesus to silence evil speaking and break negative patterns.

**Key Scripture:** 2 Timothy 1:7 - "God has not given us the spirit of fear but of power, love and a sound mind."

### Overarching Theme

All three days emphasised persistent, Spirit-led prayer as the key to breakthrough, with practical tools for overcoming obstacles (fear, weakness, negative patterns) through the Holy Spirit's help and the power of Christ's blood.

## DAILY DEVOTIONAL

Inspiration does not die, but it can expire. This is because inspiration is like a breath. It needs to be converted into other tangible forms as soon as possible if it is to be profitable. Whatever comes from God is good and perfect. (James 1:17).

And since it is the breath of God in the spirit of man that brings inspiration, that which is breathed from God to man can only be for man's good and perfection.

The challenge is that many, when they get inspired, allow it to expire. They do not act on it immediately. Joseph was divinely inspired to interpret Pharaoh's dreams and to offer solutions to the famine that would occur in seven years' time.

What did Pharaoh do? He acted on it immediately. He made Joseph the Prime Minister and commanded that storehouses be built and that grain be stored as Joseph directed. He acted immediately on what God had inspired in Joseph, and it brought good to his throne and to Egypt. The whole earth came to be fed by Egypt, and Pharaoh and Egypt only got richer. (Genesis 41:37-57).

**Word:** What has God inspired you to do? Have you acted on it? Or are you watching time fly by and just talking instead of doing? Act on inspiration. It is perspiration that converts inspiration into tangible goods in your life. What good is a divinely inspired idea you have refused to work on? It will expire in you and just fly over to someone else's window. Work the dream. of doing. Godspeed.
