# HERMON LIFE

Greetings and blessings to you in Jesus' name!

This is our season of divine multiplication. It is not by might or power that we will multiply. It shall be according to the power of the Spirit of God.

God is not a man that He shall lie or change His mind. He does exactly what He says and fulfills all His promises. When He says through the mouth of His servant that He shall multiply us, we better believe and get ready for multiplication.

Multiplication is not addition. It is increase raised to the highest power.

It was in Goshen that God multiplied the people of Israel from a family to a nation. It was also there that they had great possessions. (Genesis 47:27).

As this is our year of Goshen, it is inevitable that we experience these same blessings, in even greater dimensions. My prayer for you is that you shall be a full partaker of the glorious God is already doing in our midst in Jesus' name.

Welcome to HERMON CHRISTIAN CENTRE where people are empowered to fulfill their God-ordained destinies and to be a Godly influence wherever they are.

## 1ST SERVICE: AGENT OF MULTIPLICATION (Part 1)

Multiplication isn't optional—it's essential for survival and God's design for manifestation. The Holy Spirit is the agent of supernatural multiplication, but He works through us, not just on our circumstances.

Anything not multiplying will die - It's dangerous not to multiply. Whatever God promises, He multiplies you first before manifestation.

Location matters (Genesis 47:27) - You cannot multiply in every place. Everyone has a "Goshen"—a specific place where God has ordained your growth. Just as every seed has its soil type, we can only multiply where God has planted us. If you despise your "there," you will never grow; you'll wither and die.

Remember your source (Deuteronomy 26:5) - God never wants us to forget where He brought us from. No river is greater than its source. Destruction awaits those who forget their beginnings.

The Holy Spirit produces holiness first - Holiness marks out the Holy Spirit. He makes you separated to God—devoted in thoughts, words, and actions. God doesn't use things meant for everybody. The first thing the Holy Spirit produces is holiness; you become separated to God in everything.

Personal transformation creates circumstantial change - We pray for things to change, but God is waiting for us to change. Every lasting breakthrough starts with your personal breakthrough. The Holy Spirit works on our character, desires, words, actions, and thoughts. When He does, circumstances and conditions start changing.

The Power of Words: Genesis 1:1-3 - In the beginning was darkness until God said, "Let there be light." Everything that exists was created by words, so everything responds to words.

The Holy Spirit works with our words - One of the primary ways the Holy Spirit brings multiplication is by giving us Words. Without words, there will be no change. He works with the words we speak.

Speak to everything (Psalm 81:10, Psalm 33:6) - A closed mouth is a closed destiny. You speak to things: your body, your finances, your home, your business, your children. ] Every time you speak, breath/life goes out. Ephesians 6:17 -

The spoken Word of God is the Holy Spirit's tool for bringing about multiplication. Your words are powerful and important. John 6:63 NKJV - Anything dead in your life can be awakened by the Holy Spirit. When you speak God's Word, you release God's life into the situation, and it will respond.

Isaiah 57:19-21 - is why the first thing the Holy Spirit does is change what's inside you. He changes what's in you so that when you speak, you're speaking God's Words.

### Four Ways to Speak God's Word for Multiplication:

1. Meditation (Joshua 1:8)
2. Confession
3. Proclamation
4. Prophesying

## 2ND SERVICE: AGENT OF MULTIPLICATION (Part 2)

Fruitfulness requires seeds, and the seed is God's Word. Multiplication depends on both having the right seed and the right heart condition.

Genesis 1:26-28 - God's command is for us to be fruitful and multiply. The first thing Adam heard was words of increase. God made man to have dominion. You and I are made in the image of God, and He commands that we be fruitful.

You don't need to pray to be fruitful - You demand it because God has shown you in His Word that it's His will. Don't just be fruitful—multiply.

Seeds cause fruitfulness - Without a seed, there can't be fruit. A fruit is simply a seed that has gone through the process and multiplied. Luke 8:11 - When God says to man, "be fruitful," He's saying look for seed. The seed is the Word of God. Fruitfulness starts with a seed.

God blessed man and sowed a seed - He spoke when He said "be fruitful"—He spoke His Word. Anything you want to multiply in, you must first be fruitful in. To be fruitful, you need a seed, and that seed is the Word of God.

Your capital and first instalment - Once you get the seed of God's Word, you've gotten your capital. You've gotten the first instalment of the answer to that prayer. If you can find it in the Word of God, it's a seed.

Seeds need a process - You need that seed to go through a process before it can become fruit. Many are praying for fruit but don't have a seed.

The correct prayer for multiplication is: "God, give me seed"—that's His Word. Find out what God's Word is concerning a thing. You must find the seed in the Word of God.

God gives seeds to sowers, not eaters - Everything in life answers to a seed—God's Word—and starts with God's Word.

A seed is always small, always looks insignificant, but when you sow it, it will bring forth fruit. You plant God's Word by speaking it - The seed is God's Word, but it's useless if not planted. It's planted seeds that bring forth fruit. If you have God's Word and don't plant it, you're wasting your time. The seed is always good; the problem is the heart of man.

### Four Heart Conditions (Matthew 13:1-31 - The Parable of the Sower):

1. Wayside Heart: Nothing grows here.
2. Stony Heart: Represents unbelief and doubts.
3. Thorny Heart: Cares of the world.
4. Good Ground: Seed grows and multiplies.

When God gives you a seed, He has given you the certificate of occupancy, the legal authorisation to enforce that Word.

## MIDWEEK SERVICE: IMAGINATION & DIVINE MULTIPLICATION

Imagination is the realm where all things are possible. God works with what you consistently imagine from His Word.

### Imagination Principles

- Images become reality - What you imagine consistently eventually manifests
- Revelation starts in imagination - Seeing yourself in Scripture is critical
- Confession without vision is incomplete - If you're not seeing it, you haven't truly meditated
- Behold consistently, become suddenly - What you consistently behold, you'll suddenly become

Jacob used visual reminders to change what he imagined—and his flocks multiplied accordingly. Print scriptures and images of what you're believing God for. (Genesis 30:37-43).

### Four Hindrances to Godly Imagination (2 Cor 10:4-5)

1. Strongholds - Deep-rooted beliefs that resist truth
2. Imaginations - Fears and negative mental images
3. High things - Arrogant thoughts and superiority not rooted in Christ
4. Thoughts - Any thought not aligned with God's Word

Critical Truth: God hastens to perform the imaginations you have of His Word. Nothing changes until your imagination changes. Your current images must match your confessions.

### Practical Application

#### To See Multiplication This Month:

1. Find God's Word (seed) for your specific situation
2. Prepare your heart—remove stones, thorns, and distractions
3. Plant the seed by speaking it daily (meditation, confession, proclamation, prophesying)
4. Change your imagination—see yourself in the Scripture
5. Exercise patience—roots grow invisibly before fruit appears
6. Guard your heart from worry and negative images

Remember: The Holy Spirit is poured on you, not your circumstances. When He changes you from within, rivers of living water flow into your wilderness, transforming it into a fruitful field.

## DAILY DEVOTIONAL

There are two things mentioned in the Bible that moved mountains. The first is well known. It is found in Mark 11:22-23. "... Have Faith in God. For verily I say to you, that whosoever shall say to this mountain, be removed and be cast into the sea; and shall not doubt in his heart, but shall believe that those things which he says shall come to pass; he shall have whatsoever he says."

Nothing man has ever invented or made can move a mountain. But words spoken in faith will move mountains. The mountains represent impossibilities. If you believe in your heart and speak with Faith, impossibilities will become possibilities to you.

The other thing that moves mountains is the presence of God. With this, you don't even need to speak, and the mountains will skip like rams whenever and wherever you appear. (Psalm 114:1-9). This is how powerful God's presence is. Wise people seek and covet it. It is the difference maker.

Word: The presence of God goes with you into this new week. Whatever represents a mountain or impossibility before you will give way in Jesus' Name. You will rejoice. You will testify, and God will be glorified in your life and that situation in Jesus' Name. Have a testimony-filled week!
